

WARREN HILLS ELEMENTARY

NOTES

8/23/18

Student Dress Code

All students must wear shoes, boots or other types of footwear to school. Flip flops are not appropriate due to risk of injury that can occur with the lack of proper support for physical activities like recess and P.E. and are best worn at home.

The wearing of hats, ball caps, etc. can also interfere with our educational environment and need to be worn at home. The exception would be during a school promoted spirit day.

Birthday Invitations

Per our district handbook, invitations to home parties *cannot* be distributed at school. Please make other arrangements to distribute personal invitations. In addition, due to student privacy issues, the office or teacher cannot give out student addresses for personal invitations.

Birthday treats

In accordance with our district wellness policy(District Wellness Program Policy ADF) and in support of our increase number of students with life-threatening allergies (Board Policy JHCF), all elementary schools will celebrate student birthdays in ways that DO NOT involve bringing or distributing food-related treats. Every student's birthday is important and will be recognized in elementary schools without the use of food items.

Special Deliveries

We love to celebrate special occasions at Warren Hills, but please know that we do not accept floral, balloon, candy deliveries, etc. for our students as they often are distractions in the classroom. These items are best enjoyed at home.

Outdoor Recess

Our schools follow the Child Care Weather Watch to determine outdoor recess participation. With that being said, please make sure your child is dressed appropriately to go outside during the winter months.

Electronic Information & Peachjar

As our school year progresses, we are gearing towards sending information electronically. It will be important for our patrons to check their emails and to also check our website (www.lps53.org/wh) every week. We have our school calendar on this website, along with PTA information, Peachjar, Staff Information, School Supply List, Device information, etc.
