Meet Me at the Fire Station

200 W. Mississippi St, Liberty, MO 64068

Thursday, September 15, 2023

10:00 - 11:00 a.m.

Friendly firefighters will greet us at the Fire Station located off Liberty Square. We will get to see the emergency rescue vehicles, fire trucks and equipment. This will be an event for children and parents to learn how firefighters put on their protective gear as they talk about fire safety. This is a great opportunity to learn with your child and experience the emergency personnel and equipment in a non-frightening situation.

Recommended Ages: 2 to pre-K
