

BIKE DAY INFORMATION

Each week, your child will have a designated bike day. Bike Day is a fun time for your child to use and enhance their gross motor skills. We also want to instill good bike safety habits. As a result, each child will need to wear a helmet while riding a bike. We provide the bikes and riding toys, and your child will need to bring their helmet. On your child's designated Bike Day they will need to bring his/her helmet in their backpack. Please make sure their name is written inside the helmet please. We do have a few spare helmets if you cannot provide one.
